SUBJECT: **TREASURER AND TAX COLLECTOR - TRANSIENT OCCUPANCY
TAX AUDITS FOR FISCAL YEARS 2004-05, 2005-06 AND 2006-07**

Los Angeles County Code (Code) Chapter 4.72 requires hotel and motel operators (Operators) in unincorporated areas to charge a 12% Transient Occupancy Tax (TOT, also known as a "bed tax") on rent charged to hotel/motel guests. The Code requires Operators to collect the TOT, and remit it to the Los Angeles County Treasurer and Tax Collector (TTC).

At TTC's request, we contracted with Certified Public Accounting firms: Simpson and Simpson, CPAs; and M.R. Grant, CPA, (auditors), to review the financial records of 86 Operators for fiscal years (FY) 2004-05, 2005-06, and 2006-07. The purpose of the reviews was to ensure that the Operators collected and remitted the correct TOT to TTC, and ensure that the Operators were complying with other requirements of the Code related to the TOT (e.g., registration and recordkeeping requirements). We worked closely with TTC to monitor the auditors' progress and findings during the audits.

Summary of Findings

The auditors completed their reviews, and issued reports for each of the 86 Operators. As indicated in the Attachment, the auditors identified \$1,005,579 in underreported TOT, including penalties and interest. TTC has collected \$997,273 of the underpayments. The remaining \$8,306 is owed by GuestHouse Inn, which has

declared bankruptcy. TTC is working to collect the \$8,306 in unpaid TOT through the bankruptcy court. The auditors also identified \$2,226 in TOT overpayments from seven operators, which TTC has refunded.

Four Operators account for approximately \$650,594 (65%) of the total TOT underpayments:

- Kellogg West Center failed to collect or pay any TOT from July 2004 to February 2005. In addition, Kellogg West did not maintain adequate records to support the TOT exemptions they claimed for government employees. As a result, the auditors determined that Kellogg West underpaid its TOT by \$310,410.
- Magic Carpet Motor Inn did not maintain adequate records to support the TOT exemptions they claimed for permanent residents. As a result, the auditors determined that Magic Carpet underpaid its TOT by \$148,481.
- Summit Motel did not maintain adequate records to support the exemptions they claimed, and/or document the variances noted by the auditors between the Motel's bank deposits and its reported rent collections. As a result, the auditors determined that Summit underpaid its TOT by \$97,600.
- Oakwood Apartments' supporting documentation did not agree with the monthly TOT reported to TTC. As a result, the auditors determined that Oakwood underpaid its TOT \$95,817.

For the remaining Operators, the auditors noted issues with inadequate documentation for TOT exemptions and revenues, and that the Operators were not always submitting required paperwork to TTC. These issues, along with penalties and interest, resulted in the underreported TOT amounts indicated on the Attachment.

The auditors discussed each report with the respective Operator. Eleven Operators appealed their audit findings. In most cases, the County appeals officers reduced the amount of TOT owed, because of additional documentation provided by the Operators. The amounts shown on the Attachment are the final reduced amounts owed by each Operator.

The auditors also identified potential other revenue that may be subject to TOT. Specifically, charging TOT on sales from managing agents, booking agents, room sellers and on-line travel agents. TTC is working with County Counsel to update the County Code to include these revenue sources.

Total Overpaid TOT \$ (2,226)

GuestHouse Inn paid TTC \$5,850 of the underreported TOT, leaving a balance of \$8,306. However,
(1) GuestHouse Inn has filed for bankruptcy. TTC is working to collect the unpaid TOT through the bankruptcy court. All other Operators have paid their underreported TOT to the County.

(2) The same Operator owns both the Camino Palms Motel and Marquis Motel. The Operator's financial records did not identify amounts for the individual motels. Therefore, the financial records and audit report were combined for both motels.
